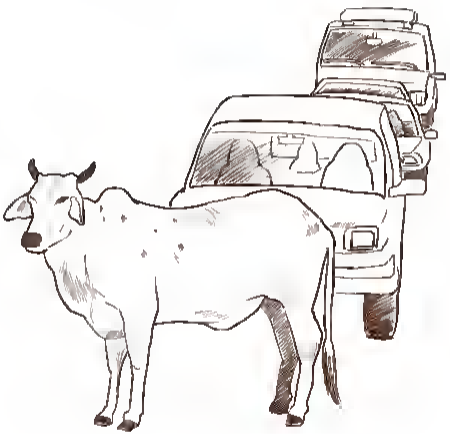
Oh yeah...

you were also a glorious Indian cow a while back

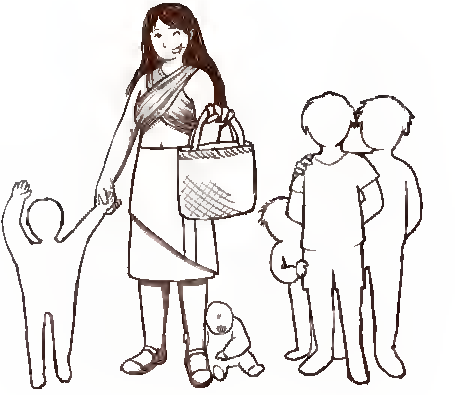


and blocked traffic at least 500 times.

You were also an elderly Chinese man, he had 3 different careers in his lifetime,

married twice and liked to dance the samba... well when he was younger anyway.

Oh and she liked to weave her own baskets.



Hey if I'm God,

then that means ....

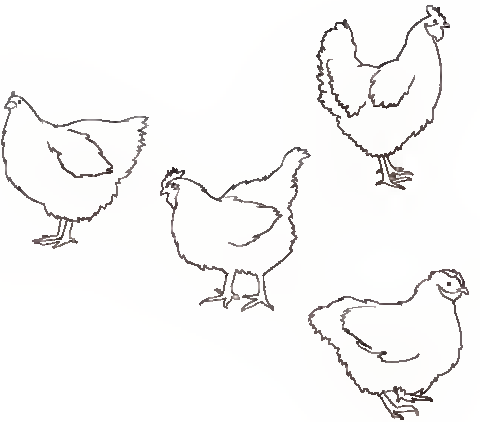
Well you never asked.

Just Ask Yuli

by Yulius Efferven

Well... Not really,

and a varying number of chickens.



An African research engineer.

not that long ago you were also:

Darn it sounds like I never had powers back then either.

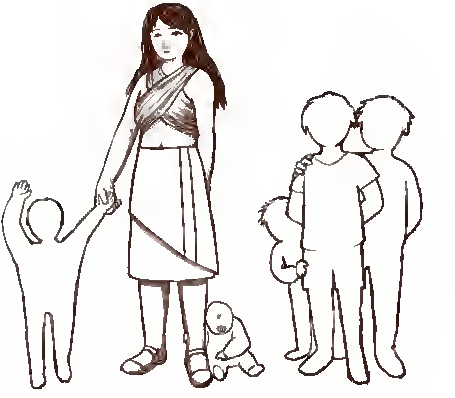
How long am I going to be stuck being a human?

that I'm definitive
proof that God is Male.

WHAT???

Any past incarnations you'd like to share?

A Polynesian woman with 5 sons, 3 dogs,



Also a Canadian on two separate occasions.

Why are you telling me this just now?!
